

The perfect partner for creams and
custom projects

THE COMPANY

The Company Helvetica lab was born in 2018 from the long experience of the pharmacist Francesco Agustoni. Since its foundation, Helvetica lab guarantees its clients a business development strategy in the preparation in structures operating in the field of Aesthetic Medicine and Wellness Medicine. Creating networks and offering business solution built around the needs of its client, provides innovative and interdisciplinary teams .

**Swiss
quality!**

THE COMPANY

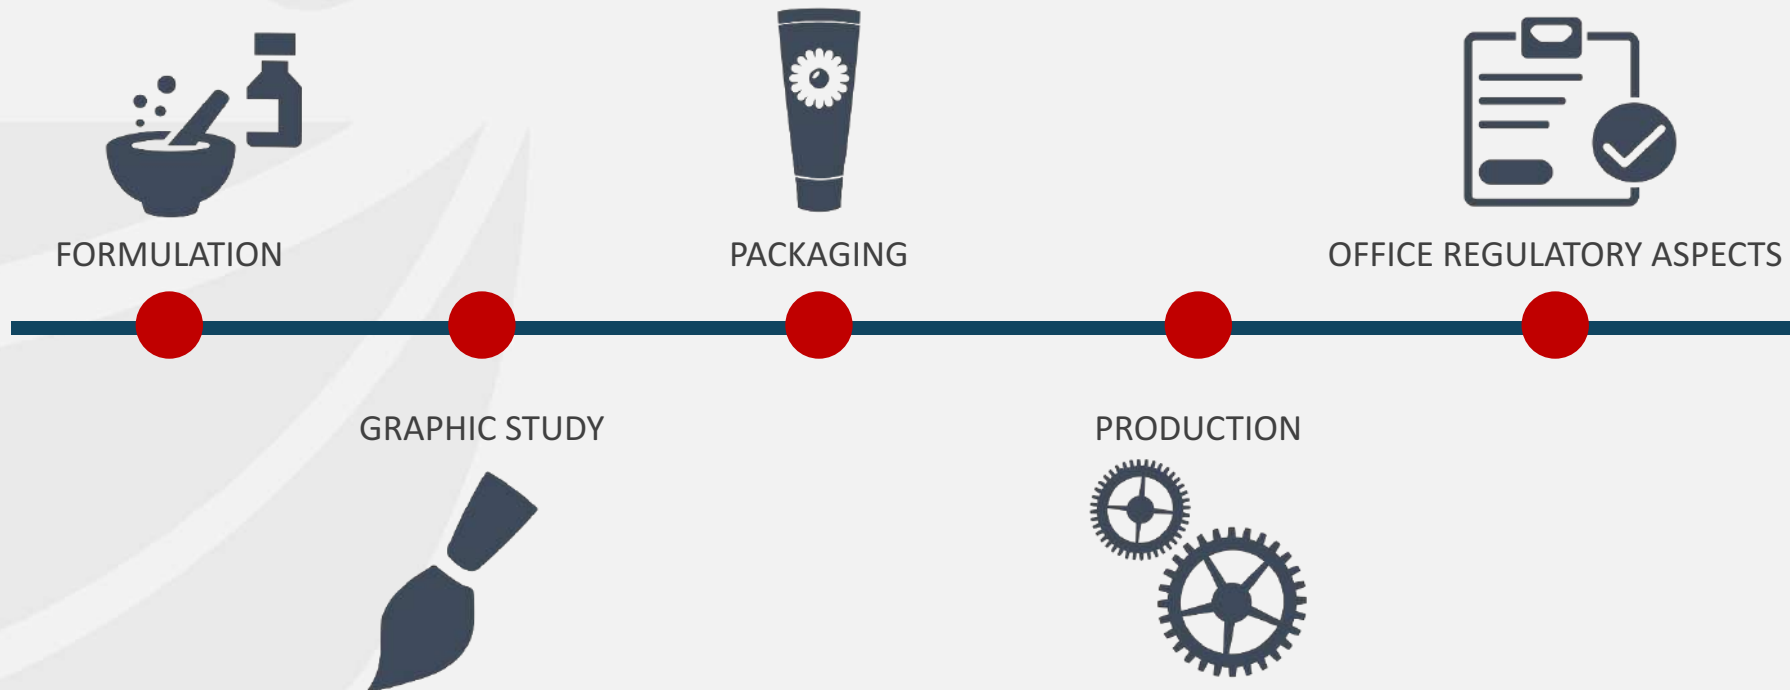

Helvetica lab is a young and dynamic company located in **Switzerland**, able to adapt quickly and efficiently to the needs of each customer with very quick reaction times, just like an innovative startup

OUR STRENGTHS

Helvetica lab

Covers all phases of the product, from formulation to regulatory documentation. At the base of our success there are quality and competitive cost that reflect the needs of the market band.

The company is able to produce both personalized lines for each customer, and Helvetica lab lines that are distributed in the pharmacy, aesthetics and Spa sector

EXAMPLES

Pantheon Line

Cosmos Line
